

TOTAL COORDINATION!

A DAY IN THE LIFE OF THAIS MANDIOLA VISITOR COORDINATOR

THIS IS THAIS MANDIOLA... AND SHE STARTS HER SHIFT IN THE CASINO BY EATING 4 METRIC TONS OF AVOCADOS...

YES, IT IS ALL THE ENERGY I NEED TO TAKE ON AN AVERAGE OF 100 VISITORS WEEKLY!

HER JOB IS TO COORDINATE AND RECEIVE ALL VISITORS TO THE OBSERVATORY

THIS INCLUDES ALL PUBLIC VISITS ON SATURDAYS AND SUNDAYS FROM SAN PEDRO DE ATACAMA (FREE VISITS!)

NO SIR... WE ARE NOT LOOKING FOR UFO'S

NO, NO, NO MA'AM... WE ARE NOT A SECRET BASE OF THE ILLUMINATI

...NOR ARE WE HIDING A SECRET CRYOGENIC CAPSULE WITH ELVIS'S BODY...

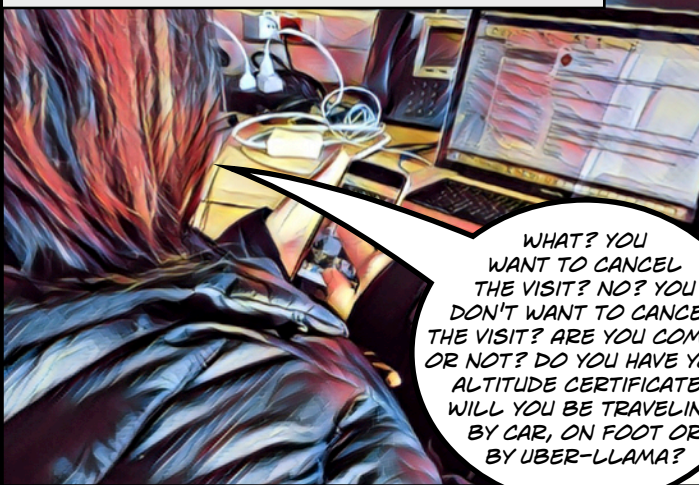

IOMG!

THE VISIT COORDINATORS ALWAYS HAVE THE INVALUABLE HELP OF THEIR COLLEAGUES

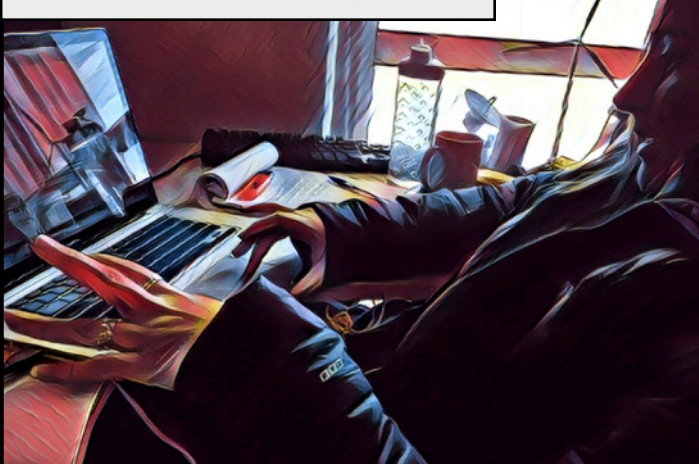

YYY... MY DREAM IS TO MEET AN ACTUAL ASTRONOMER IN THE FLESH AND BLOOD

THEY ARE RESPONSIBLE FOR COORDINATING PRESS VISITS FROM AROUND THE PLANET AND FOR RESOLVING PROBLEMS AS THEY ARISE

WHAT? YOU WANT TO CANCEL THE VISIT? NO? YOU DON'T WANT TO CANCEL THE VISIT? ARE YOU COMING OR NOT? DO YOU HAVE YOUR ALTITUDE CERTIFICATE? WILL YOU BE TRAVELING BY CAR, ON FOOT OR BY UBER-LLAMA?

TO COORDINATE VISITS, YOU NEED NERVES OF STEEL AND MEGA LOGISTICAL EXPERTISE

VISIT COORDINATORS HAVE A LOT OF DESK WORK

iROCK-STARS!

SOMETIMES THEY ARE THE FACE OF ALMA WHEN VISITED BY INTER-COSMIC PERSONALITIES

HELLO, IS THERE ANYBODY IN THERE...?

THIS ONE ISN'T BY "LOS QUINCHEROS"?

IT ISN'T ALWAYS EASY BEING THE FACE OF ALMA... BUT AT THE END OF THE DAY, IT IS ALWAYS WORTH IT
